PHOTO – This is what a 2021 real ale drinker would have looked like in 1971 – what-style! A Retro 1970's CAMRA tee shirt and the new CAMRA book, *50 Years of CAMRA*.

Welcome to the Fourth Edition of Drake's Drinker, produced by unpaid volunteers of the Plymouth Branch of CAMRA, during the Covid-19 pandemic and Lockdown 3. We hope that the end of Lockdown is in sight!

We hope that you enjoy reading our news.

Hop Off The Press

Hi, Fellow Beer and Cider Lovers.

The Prime Minister published his Roadmap to the easing of the restrictions placed upon all of us due to Covid-19, with a speculative calendar of when, he hopes, the restrictions can begin to be eased. We have listed the pertinent details of The Roadmap on Page 5. The basic dates for us, as pub, beer and cider lovers, are Monday April 12th, when pubs with gardens, or a patio or other outside space, will be able to open for outside drinking and dining. If all goes well, we can hope to be back inside the pub from 17th May.

Last month, on Tuesday 16th March, we held a virtual online birthday celebration for our 50th birthday, unfortunately we won't be celebrating inside a pub together for a short time yet – but we will do when it is safe to do so. We will be able to visit pub gardens or other outside spaces from today, Monday 12th April, or can continue to drink safely at home. Some local breweries are able to deliver beer directly to our doors, such as Dartmoor, Roam and Summerskills (and they can also deliver Countryman and Hunts cider).

Details for local breweries providing home deliveries can be found on our website, ***Pulling Together***. The website link is <https://www.camra.org.uk/pullingtogether>. If you fancy trying beers from further afield and nationally, please try out the ***Brew2You*** App, via this link <https://brew2you.co.uk>. Further details are shown in the article on page 13 for both initiatives.

We have been publishing details of pubs reopening throughout the last 12 months, and provided links to either the pub Facebook page or pub website. However, we will need your help in making sure that we list the pubs that will be opening, when they are permitted to do so, and what the pub will be offering. Please email our webmaster, Ian Dickinson, with the details webmaster@plymouth.camra.org.uk. When we are back to normal, hopefully this year, we need your help to support breweries, pubs and clubs. You can encourage your friends and family to join the campaign, supporting their local pub or club. It's about keeping the unique ***British Pub*** alive,

Cheers, Bob Holmes and the Plymouth CAMRA Committee

Branch Diary

In line with Government Lockdown restrictions, all official CAMRA activities, such as branch meetings, social activities and beer festivals, have been postponed, or in reality, cancelled until further notice.

We all hope that we will be able to get back to “normal”, as soon as it is safe to do so. This will obviously not be normal, but a “New Normal”.

Some Technical Brewing Terms 2

<i>Chill Proof</i>	Clarifying beer to remove solids that would cause a haze at low temperatures.
<i>Cold Break</i>	Rapid cooling of the wort* to remove proteins and other material.
<i>Condition</i>	The amount of dissolved carbon dioxide in a beer.
<i>Conditioning</i>	Maturing beer in tanks or bottles to improve flavours and conditioning.
<i>Decoction</i>	European method of mashing, involving more than one mash vessel and varying temperatures.
<i>Dry Hopping</i>	Adding unboiled hops to the beer during or after fermentation to enhance aroma.
<i>Esters</i>	Fruit or solvent-flavoured organic compounds created during fermentation.
<i>Ethanol</i>	Alcohol created by fermentation; also known as Ethyl Alcohol.
<i>Extract</i>	The amount of sugar in the wort*.
<i>Fermentation</i>	The conversion, by yeast, of sugars into alcohol and carbon dioxide.

* the unfermented sweet, sugary liquid produced by the mash.

The Roadmap

A "roadmap" for easing Covid restrictions in England has been announced by the UK Government on Monday 22nd February 2021.

Easing of the restrictions will take place in four stages, with a minimum of five weeks between each stage. After the first stage in March, further lifting of the restrictions will only happen if certain conditions are met – such as the vaccine rollout going to plan. The aim is for all restrictions to be lifted, but this will not happen until 21st June at the earliest.

Stage one is in two parts: 8 March 2021 and 29 March 2021

Achieved!

Stage two No earlier than Monday 12 April 2021:

In hand today!

- **Restaurants and pub gardens** will be allowed to serve customers sitting outdoors, including alcohol

Stage three No earlier than Monday 17 May 2021:

- **Pubs, restaurants and other hospitality venues can seat customers indoors**

Stage four No earlier than Monday 21 June 2021:

- All legal limits on social contact will be removed
- No legal limits on the number of people who can attend weddings, funerals and other life events. From April, the government will run pilots for events such as large weddings, festivals and work conferences. This will help to determine how measures such as enhanced testing might allow large groups to attend without social distancing
- Nightclubs will be allowed to reopen

What are the four tests for easing restrictions?

Each stage will be a minimum of five weeks apart. Four conditions must be met at each stage before proceeding to the next one:

1. The coronavirus vaccine programme continues to go to plan
2. Vaccines are sufficiently reducing the number of people dying with the virus or needing hospital treatment
3. Infection rates do not risk a surge in hospital admissions
4. New coronavirus variants do not fundamentally change the risk of lifting restrictions

Where Are They Now No 7

(Admiral) Stopford Arms, 172, Devonport Road, Devonport PL1 5RE

This was a typical suburban pub, situated on the Devonport Road between Stoke Village and the College of Further Education. This unpretentious two-room local's pub had a very good reputation for well-kept real ales, and an excellent selection of malt whiskeys.

The room at the front housed what was termed the lounge bar, and had a serving counter rather than a bar. Lunchtime meals were often served

in here, and comfort could be assured by using the leather easy chairs.

The real bar area was at the back of the pub from the photo view shown here, with an entrance in Stopford Place. The pub was in the Webster family for around 50 years or so, until the early 2000's. Courage Heavy, Best and Directors were regularly available over the years, latterly having a major makeover under new licensees which opened the pub out a lot, and saw the garden opened up. Regular guest beers also came to the fore.

Unfortunately, for whatever reason, the pub closed in about 2012 and remained boarded up for a couple of years, before eventually being sold and converted to housing in 2015.

Pub & Brewery News

Local Pub News

We have over 90 pubs in our branch area who have decided when they will reopen when permitted, both for outside service – with effect from today, Monday 12th April 2021 – and some that will not until inside service is permitted. In addition, there are around 30 that have continued to offer Takeaway or a delivery service during Lockdown 3. All pubs known to be operating these services are listed on the branch website. Please select the “PUBS REOPENING DURING COVID” left hand side menu option.

1620 Bar have started a Crowdfunding campaign; **Ales & Tails**, Plymstock, is a new bar located in the Broadway; **Bitter & Twisted**, Tavistock, formally the Duke of York, is under new management, and has been refurbished inside and outside; it will be opening “soon”, but without an outside area, we suspect it will be May; **Boringdon Arms** will reopen from today, Monday 12/4/21; **BrewDog**, City Centre, will open from today, Monday 12/4/21; **Brook Inn**, Plympton St Maurice, are under new management from today, Monday 12/4/21, but will not open until May; **Burrator Inn**, Dousland, is also under new management and are advertising for staff. They intend to open “soon”; **Market Inn**, Tavistock, is under new Management and will open from today, Monday 12/4/21; **Nowhere Inn** will reopen under New Management from Saturday 10th July; A planning application has been submitted for change of use for the Office, Stonehouse, in to domestic dwelling; **Steel Brewery Tap** will open from 1500 on Friday 16/4/21, using temporary outside seating. They intend to be open from 1200 on Saturdays and Sundays, and remain so until inside service is permitted; Tavy Club, Tavistock, formally RBL Tavistock, is now called **Stannary Arms**; **Three Crowns**, Barbican has been refurbished and have a new outside area on the cobbles; **Union Inn**, Tavistock, will reopen from today, Monday 12/4/21; **Victualling Office Tavern**, Stonehouse, is being advertised for sale at £525 000.00.

Plymouth CAMRA would like to wish all new licensees the very best of luck in their new ventures.

Brewery News

With the news of pubs and restaurants being able to reopen for outside service, I would expect the majority of breweries to be brewing again, if they had not re-started prior to the Prime Minister’s announcement. However, Hunters has started a Crowdfunding campaign.

Pub & Brewery News

During the various stages of the Pandemic, and the various restrictions placed upon the Hospitality Trade, Plymouth CAMRA have tried to maintain up-to-date lists of pubs providing services as permitted during those periods. We aim to do so again, when pubs are permitted to re-open during the easing of restrictions.

If you are aware of any hospitality venues providing services during the easing of restrictions, please email webmaster@plymouth.camra.org.uk with details of services being provided, and a link to where the details are advertised, such as social media page or website – Many Thanks ! Stay safe!

For the latest list of pubs trading with an outside trading area, please follow this link to [Pubs Known To Have An Outside Area - From April 12th 2021 - Plymouth CAMRA](#) Please use the link to the pub's social media page or website to check the latest information – Plymouth CAMRA cannot keep up with this rapidly-changing situation.

For a list of pubs which MAY still be offering food and drink deliveries, please follow this link to [Pubs Offering Takeaway or Delivery Services - from 31st December 2020 - Plymouth CAMRA](#) Please use the link to the pub social media page or website to check the latest information – we cannot keep up with this rapidly-changing situation.

We have also tried to maintain Historical Details of what pubs were able to do, and when, which can also be viewed via the above links. Alternatively, visit our website and select “Pubs Reopening During Covid Pandemic” from the left hand side menu.

Happy Birthday!

Last month, the Campaign for Real Ale was fifty years of age, a big milestone in our organisation's history! That first meeting on 16th March 1972 with four friends discussing the quality, or lack of quality, in beer at that time could not have imagined how their feelings would strike such a chord with so many people.

Sadly, we haven't been able to celebrate our fiftieth birthday in a pub this year (yet), but we would hope to be able to do so later in the year when it is safe to do so.

With this in mind, I have taken a look back to our fortieth birthday, which took place on Wednesday 16th March 2011, where we held a joint social with the University of Plymouth Real Ale and Cider Society (UPRACS). We had decided to hold a joint pub crawl around Mutley and Greenbank, to enable the students to join us in an area close to their halls/accommodation.

We started off in the Mannamead, Mutley Plain, which has a great area to meet people in you would expect, there was a good selection of real ales and real ciders available, although what they were, I can't remember! From the Mannamead, we moved down the road to the Fortescue for another great selection of real ales and real ciders. We had made some publicity material for the occasion, a special Fortieth Birthday card, which we gave out to customers and left on a couple of pub tables.

Fortieth Birthday

I'd like to say that the balloons on the left were for our celebratory occasion, but they weren't on this occasion! The photo on the left shows a rather younger-looking me (holding the card), Colin (our social secretary), Jez (UPRAKS) and Roger (our treasurer, who sadly passed away in 2014). Vernon is hiding rather too closely to the bar, but I seem to remember that he bought the round – what a nice chap!

From the Fort, we went into Greenbank and into the Providence Inn, Providence Street. Being a small locals pub, the students didn't know that it was there.

Here, we've got Jez, Vernon, Colin, Jez, Roger, Norm and Dave Biss.

From the Provi, we went round the corner to the Clifton Inn, which the Students used to meet in for the society socials at that time.

Fortieth Birthday

And from the Clifton, we continued down the hill towards the city centre and finished in the Fawn Club, Armada Street. And here's me with the card which we left in all of the pubs.

Pulling Together

Like pubs, breweries were not initially deemed as essential businesses at the beginning of the pandemic. However, this changed quite early on, and a large number of breweries joined the Pulling Together Campaign to publicise, free of charge, what customers were able to order.

The Pulling Together website, [Pulling Together - CAMRA - Campaign for Real Ale](https://pullingtogether-camra-campaignforrealale.org.uk) (link) lists all known breweries and pubs which are providing beer sales (and other options) direct to the public during the Covid-19 pandemic, the first pandemic in 100 years.

There is no known UK brewery brewing at anywhere near their usual production levels for this time of year, as the majority of beer is sold direct to the Licensed Trade for consumption in Licensed Premises.

The Campaign has provided, for a number of years, a national pub website, which we have called What Pub, and is available [UK Pub Guide, Campaign for Real Ale • whatpub.com](https://whatpub.com) (link). This lists over 55 000 pubs, clubs and hotels throughout the whole of the United Kingdom, with over 37 000 of these establishments serving real, cask-conditioned ale.

This website is maintained and managed by unpaid volunteers on a local level, in the case of Plymouth CAMRA by four local volunteers. We update the website whenever we are aware of changes to a pubs details, or made aware by people providing details of any errors or changes, such as telephone number has changed, for instance.

Traditional British Beer Styles No 6

11. Light/Pale Mild Ales, up to and including ABV 4.0%

The characteristic thread of English maltiness weaves its way through this style, but the tell-tale hops of the bitter family manifest here slightly softer and more restrained. *England's old favourite.*

What used to be a house favourite, on tap at every pub across the English countryside in the 1960's, has seen drastic decline in the last several decades. This softer, less hoppy brew, has relinquished much of its former following to bitters. However, these low-alcohol, light-coloured ales are perfect session brews and still have a place in the English beer family. They have experienced a recent resurgence and are quite fittingly served on cask. Without a great variety of specific distinctions, this style is pleasant, often with lightly fruity notes mixing harmoniously with the soft, English-style hops. The malt backbone is consistent and sturdy, without being overpowering.

Three examples of this style:

Timothy Taylor's Brewery Golden Best ABV 3.5% – light amber and clear, a slight aroma of bready malts mix with fruit. Light in body, it is refreshing and quaffable.

McMullen's Brewery AK ABV 3.7% – this is a classic light mild, brewed at McMullen's family brewery with pale malt and a touch of chocolate malt. Rich and fruity with gentle hop character balancing juicy malt.

Olde Swan Brew Pub Original ABV 3.5% – straw-coloured light mild, smooth but tangy, and sweetly refreshing with a faint hoppiness.

12. Dark Mild Ales, up to and including ABV 4.0%

As a low-gravity beer, sessionable but well-built, dark mild ales are the perfect accompaniment to a hearty lunch. *Pleasingly mellow.*

In true English beer-naming fashion, mild is an understated style. With a low ABV, but still flavourful and solid, this beer becomes the perfect choice for many occasions. This mellow, almost flat ruby/dark-coloured brew is a chameleon of style. It is said that "if the brewer calls it mild – then, by Jove, it is!". Generally speaking, hops are on the light side and malts are prevalent, bringing roasty chocolatey notes. The best of the dark mild family are low in alcohol, but still flavourful, rich and interesting beers.

Three examples of this style:

Moorhouse's Brewery Black Cat ABV 3.4% – a dark mild-style beer, with delicate chocolate and roast coffee flavours and a crisp, bitter finish.

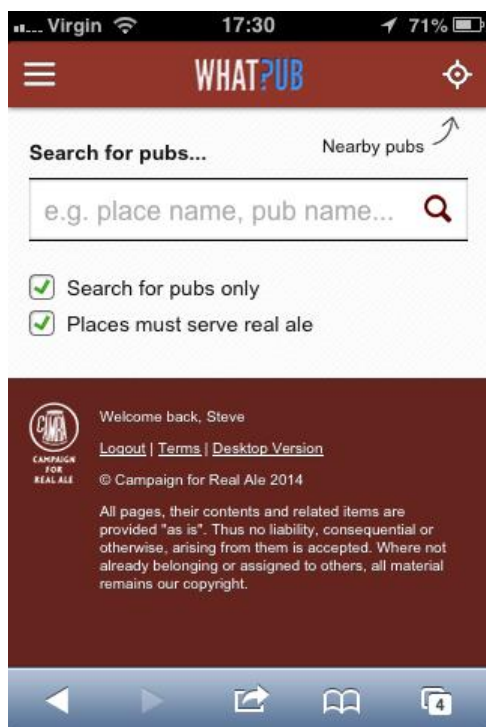

Elgood's Brewery Black Dog ABV 3.6% – black-red mild with liquorice and chocolate. Dry roasty finish.

Mighty Oak Brewery Oscar Wilde ABV 3.7% – roasty dark mild with suggestions of forest fruits and dark chocolate. A sweet taste yields to a more bitter finish.

CAMRA Members have been able to play an active part in their local Branch for many years, without having to commit to devoting a lot of extra time to the cause. Beer scoring is an easy way to do this!

Beer scoring enables a number of things – firstly, it lets us (the Branch) know that **A Pub** is open and trading – which is very important in these very difficult trading times. Secondly, it also lets us know how the beer is being kept in **A Pub**. It also shows us what different real ales are being sold in branch area pubs which have been Beer Scored.

A full explanation, and screenshots, are available on the Plymouth CAMRA website, [National Beer Scoring System - Plymouth CAMRA](#) (link)

Beer scoring is very easy to do, even when you are enjoying a meal and a pint in the pub, if you have a smart phone or a tablet/iPad.

As can be seen on the left, for a smart phone, start the What Pub App. You will see a Button at the top right of the screen which states “Nearby Pubs”. Simply tap the button and you should get a refreshed screen showing the pub that you are currently in.

You will need to sign in with your current CAMRA membership number and your password in order to beer score, by tapping on the Login. Enter your number and password.

The screen will be similar to the one shown below on Page 24.

The screenshot shown below on Page 24 is for a laptop/tablets, but it is pretty similar for the smart phone. Once signed in, you can then go ahead and score the beer for the pub you are currently sat down in.

For the example below, for the Fortescue, Mutley Plain, you can tap the Calendar button and add the date. Then you can tap the upturned triangle and select your beer score – please remember that this is NOT whether you like the particular beer, but how it has been kept and served to you.

Next, click/tap in the Brewery box and start typing the name of the brewery and select from the auto fill list. A list of that brewery's beers will then appear – please select from that list.

About the Pub
Winner of numerous local CAMRA awards, this lively local is frequented by a broad section of the community and conversation flourishes. A perfect Sunday can be spent here – a good value home-cooked roast washed down with a pint of Spingo Special, followed by brain-teasing quiz in the evening. The patio beer garden draws crowds in the summer and is heated in winter. Note the interesting cricket memorabilia which adorn the walls. 8 ales are usually available, as well as a selection of up to 6 real ciders. CAMRA members discount is offered on all real ales. Plymouth CAMRA City Pub Of The Year 2014, Cider and Perry Pub Of The Year 2014 and Branch Pub Of The Year 2014.

Where Are They Now No 8

Leg O'Mutton Inn, Leg O'Mutton Corner, Yelverton PL20 6AA

The Leg O'Mutton Inn used to be located just round the corner from the main roundabout in Yelverton, on the way towards Tavistock on the left hand side. It was set back off the main road in its' own grounds, and had a very large car park.

We have very few hard facts about this pub, other than, back in the Moor To Sea – A Devon Real Ale guide of 1993 we had the pub listed with a choice of two real ales on handpump, Courage Best Bitter and Courage Directors. The pub also

retained the traditional afternoon and evening sessions in winter and during the week, then opening for what we would consider “the usual 12 all-day permitted hours of today” at weekends and every day in summer.

The pub struggled throughout the noughties but was believed to have closed during 2010, prior to being bought at auction and sold. The pub was demolished around 2013, with new housing being built on the site.

Traditional British Beer Styles No 7

13. Strong Dark Mild Ales, ABV 4.1% and above

As a medium-gravity beer, sessionable but well-built, dark mild ales are the perfect accompaniment to a hearty lunch. *Pleasingly mellow.*

In true English beer-naming fashion, mild is an understated style. With a medium ABV, but still flavourful and solid, this beer becomes the perfect choice for many occasions. This mellow, almost flat ruby/dark-coloured brew is a chameleon of style. It is said that “if the brewer calls it mild – then, by Jove, it is!”. Generally speaking, hops are on the light side and malts are prevalent, bringing roasty chocolatey notes. The best of the dark mild family are lower in alcohol, but still flavourful, rich and interesting beers.

Three examples of this style:

Orkney Brewery Dark Island ABV 4.6% – a sweetish roast chocolate malt taste leads to a long-lasting roasted, slightly bitter, dry finish. Winner of many awards.

Sarah Hughes Brewery Dark Ruby Mild ABV 6.0% – a dark ruby strong ale with a good balance of fruit and hops, leading to a pleasant, lingering hops and malt finish.

Tintagel Brewery Poldark Ale ABV 4.5% – brown strong mild with malt aroma. Assertive malty flavour with stone fruits, dates, sweet caramel, smokiness and a citrus edge.

14. English Porters, ABV 4.0% and above

The original choice of London’s market and dock workers was a blend of three beers. The style has changed constantly since its advent and remains ambiguous even today. *A varied style.*

From a light-chestnut to a black-edged deep brown, English porters have a vast and varied style guideline. Generally, less full-bodied than a stout, some push even this boundary. Typically, an off-white head may approach tan, and generally has decent weight and retention. The texture is soft and smooth, with just enough carbonation to leave a dry, malty, bready finish. In many examples, there are caramel, toffee, chocolate, and light coffee notes – all blended eloquently with the malt core. With its reasonably light alcohol content, this is a perfect partner for hearty dinners of grilled and roasted meat.

Three examples of this style:

Elland Brewery 1872 Porter ABV 4.6% – a sweetish roast chocolate malt taste leads to a long-lasting roasted, slightly bitter, dry finish. Winner of many awards.

Summerskills Brewery Plymouth Porter ABV 5.0% – strong sweet chocolate aroma, flavours of chocolate and toffee. The aftertaste dies off quickly but this is a nice drinkable sweet Porter.

Tintagel Brewery Poldark Ale ABV 4.5% – brown strong mild with malt aroma. Assertive malty flavour with stone fruits, dates, sweet caramel, smokiness and a citrus edge.

THE GOOD BEER GUIDE 2021 EST 1972

A Pint Of The Usual, Please!

Sadly, at the time of writing, pubs were still closed when I compiled this whilst we are in the third Lockdown. The Prime Minister's Roadmap outlines plans for us to come out of Lockdown, hopefully the final Lockdown. BUT there are a number of caveats for this to happen, and nothing is set in concrete.

The earliest date that we can look forward to is Monday 12th April 2021 (**ie today!!!**), when pubs, restaurants and other hospitality venues with gardens or other outside trading area can reopen. There is no longer a requirement for customers to purchase food with alcohol. We can still order beer and cider for delivery direct from brewers and cider producers – please see the Pulling Together website (details on Page 13).

If all goes well, pubs and restaurants will be permitted to seat customers indoors from Monday 17th May 2021.

If you do go to the pub, please remember to be polite to all the staff and be courteous to them – it is not their fault that things have changed! Please also remember to comply with the latest Government guidelines in force, and to wash your hands often. But please

Stay Safe!
